**REMARKS:**

- All applications listed here are only available for 2wd model unless specified otherwise in the listing.
- For **Comfort Sport (CS) series**, the vehicle ride height can be lowered about **50mm – 100mm** from factory ride height (varies per application).
- For **EXTREME LOW (EL) series**, it enables **additional 20mm ~ 30mm** drop over the Comfort Sport (CS) series. About **70mm – 130mm** from factory ride height (varies per application).
- For customer who don't like the slight noise caused by the Pillowball, he can choose Rubber top mount version for less noise and better ride comfort.
- The symbol "◎" means this kit is supplied with a pair of Extender Adjuster Cables.
